Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Monday 20 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and bright in the south, cloudier further north.

Today:
Rather cloudy around Inverness, also later in far Northwest, perhaps with a few light drizzly showers cropping up. However most dry with sunny spells widespread in the south. Maximum temperature 6 deg C (43 deg F).

Tonight:
During the evening cloud will increase in the north, clear spells likely around the Great Glen. Light and drizzly rain later in the night for the far north, light winds. Minimum temperature -1 deg C (30 deg F).

Tuesday:
Cloudy in the north and for the Western Isles with outbreaks of light rain, some bright or sunny spells further south, winds staying light. Maximum temperature 5 deg C (41 deg F).

Outlook for Wednesday to Friday:
A mix of brighter spells and a few light showers on Wednesday. Turning colder towards the end of the week, some rain on Thursday turning to wintry showers on Friday.
